---

### CAREER OBJECTIVE

UI/UX Designer with strong MERN Full Stack development experience, passionate about creating pixel-perfect, user-centric web applications. Skilled in translating complex ideas into intuitive, engaging interfaces using Figma, Adobe XD, and Adobe Creative Suite. Proven ability to collaborate closely with developers and bridge the gap between design and engineering, with hands-on knowledge of HTML, CSS, Bootstrap, JavaScript, and React. Seeking to contribute design-driven solutions in a collaborative environment that delivers seamless digital experiences.

---
